

## Calling your client using the Teams Video Unit

- To invite an MS Teams video unit to a MS Teams call, it is recommended that you arrange with a sheriff or officer to confirm the location that the accused is appearing.
- Then, copy the MS Teams video unit email from the right-hand side of the table below and paste it into the search bar of the MS Teams Virtual Bail channel and initiate a video call.

🔍 Search Paste MS Teams Video Unit email here

Then, in the top right corner, click the video icon:
