

FNHA First Nations Health Benefits Mental Health Provider List

Current as of August 2023

The following is a list of Mental Health providers that have met the First Nations Health Benefits (FNHB)'s eligibility criteria identified in the FNHA-FNHB Mental Health Counselling Provider Agreement Form (<https://www.fnha.ca/benefits/mental-health-providers>) and are actively registered with the FNHA. Mental Health Providers meet FNHA's eligibility when they are licensed/certified and in good standing with one of the following professional bodies: BC Association of Clinical Counsellors, BC College of Social Workers, the Canadian Counselling and Psychotherapy Association, the College of Psychologists of BC); have a Master's degree in a clinical counselling discipline from an accredited institution; provide the supplementary documents requested in the Provider Agreement Form; and agree to complete San'yas Cultural Safety Training within one year of their registration with FNHA.

We do our best to ensure the accuracy and reliability of the list. It is the responsibility of FNHB-registered providers to update the FNHA of any changes in their circumstances or contact information. If you become aware of inaccurate information published on the list, please ask the provider to contact the FNHA with updates: MHProviderReg@fnha.ca
